

Above- Our students praising and praying for the New Year!

WISE

Windward Islands School of Evangelism

Happy New Year!

We are still celebrating here the coming of Christ. Our focus has been sharing *Him* with the community here in Arnos Vale where the school is located.

-In the new preschool we learned of his birth, since only 2 of our little ones there attend church and know about God's great gift.

-The Bible College students and staff caroled around the community on Christmas Eve.

-All of our students, preschool, Bible College, and community outreach program kids put on an event inviting the whole community. Mrs. Maddie's girls danced to worship songs, the students sang, the preschoolers performed, and woven throughout it our students acted out the real Christmas Story.

-For Christmas one of our supporting churches sent gifts for the students, we ate together, heard a devotional, and worshipped God through a special time of candlelight. A new tradition this year was the gift exchange where every staff and student brought one gift, but it could not be bought. It had to be handmade, a service provided, or something already owned. This brought lots laughs and creativity.

As we rang in the New Year we spent time together praying and reflecting on all God has done this past year. All of us staff and students were away from our birth countries this Christmas season. At times all of us missed loved ones. And while our celebrating and worship together was wonderful, it brought a new meaning to this Season. God sent his son away from Him to all of us, so that one day we will never be apart or homesick from Him. We thank you for supporting us and helping us

all to get to be here to study & serve!
